

INSTRUCTIONS:

Creating a Home "Button" on your APPLE iPhone for "My Kid's Chart" Patient Portal

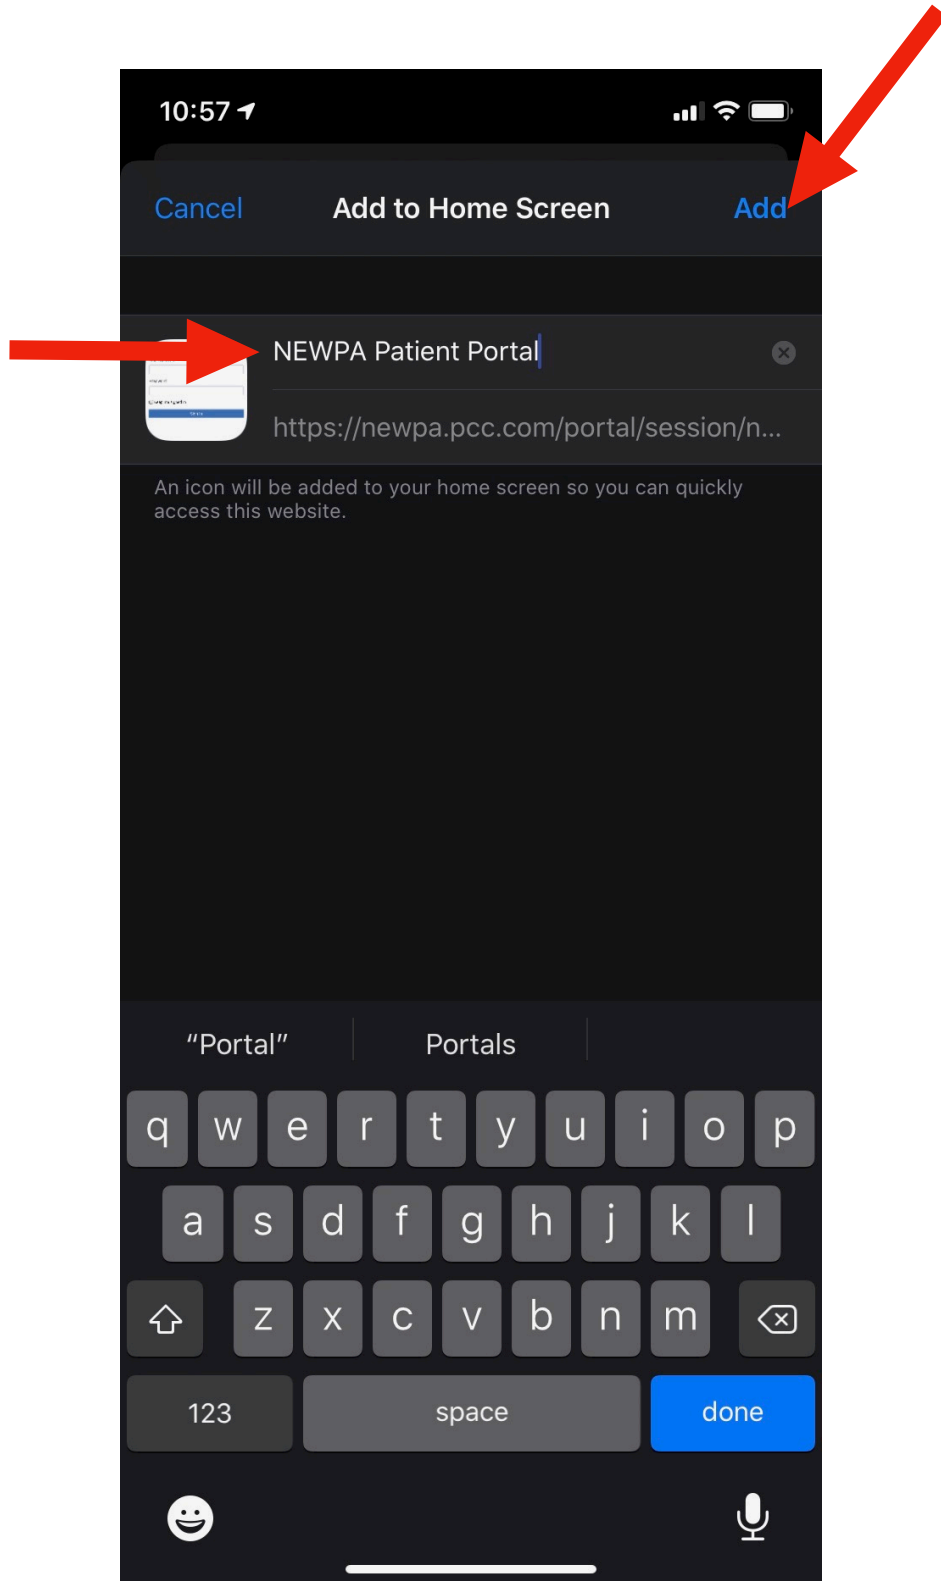

STEP 1: Open the login page for the patient portal in your browser of choice (i.e. Safari, Chrome, etc), and press the "SHARE" button, marked in Safari, below:

STEP 2: Press the "Add to Home Screen" button after scrolling down.

STEP 3: Choose a name for the button that will appear on your home screen, and then press the "Add" button.

STEP 4: Check your home screens for the new button, and test it to ensure it works!
